THE CHAIRMAN WRITES

Dear Members,
It's nearly August already - how time flies! For those of you not enjoying

somewhere in the sun next week sees our visit to the British Commercial Vehicle Museum in Leyland. Derek Westall (Treasurer for the Club) volunteers at the museum and has been helping the committee organise the event. We are looking forward to seeing you all there and please bring along as many guests as you want – there will be a special offer for new members on the night. Don't forget the altered time and venue! Especially if you turned up to the 25th Anniversary Dinner last year the day after the event in full evening wear! Ahem!

At the last committee meeting we decided to update the format of the

Newsletter. Look out for full details in a CLBC email announcements and all will be revealed in a few weeks! Any suggestions in the meantime would be more than welcome.

The club has a full diary of speakers until next spring now and we will be sending you quarterly postcards with the dates for the next few meetings so that you never miss a meet! If you would like to present to the group for 10 or 15 minutes in the second half of the meeting please feel free to volunteer – just get in touch with any of the committee members.

July and August are the busiest months of the year at Aspect Mortgages so cross your fingers (and toes) and hope that house sales in the North improve and we can all look forward to leaping into a recovering economy soon!

Your Chair

A salesman was leaving the office one evening when he found a product manager standing in front of a shredder with a sheet of paper in his hand. "Listen", said the manager, "This is a very sensitive and important document here and my secretary has gone for the night. Can you make this thing work for me?"

"Certainly", said the salesman. He turned the machine on, inserted the paper, and pressed the start button.

"Excellent, excellent!", said the manager, as his paper disappeared into the machine. "I just need the one copy"...
